ABOUT THE DUAL TRAINING GRANT

The Dual Training Grant is a State-funded program that can provide you with up to \$6,000 per year toward your education. Dual training is an earn-while-you-learn approach where you develop skills while earning an industry-recognized credential - benefiting both you and your employer!

HOW DOES IT WORK?

Once hired, your on-the-job training begins right away. You will receive hands-on instruction that correlates with your coursework and a flexible work schedule while completing your credential.
