MNP20 Strategic Pillars

MNP20's strategic planning process shaped these pillars as our shared approach to strengthening Minnesota's learner journey and outcomes.

**Working
at the
Seams**

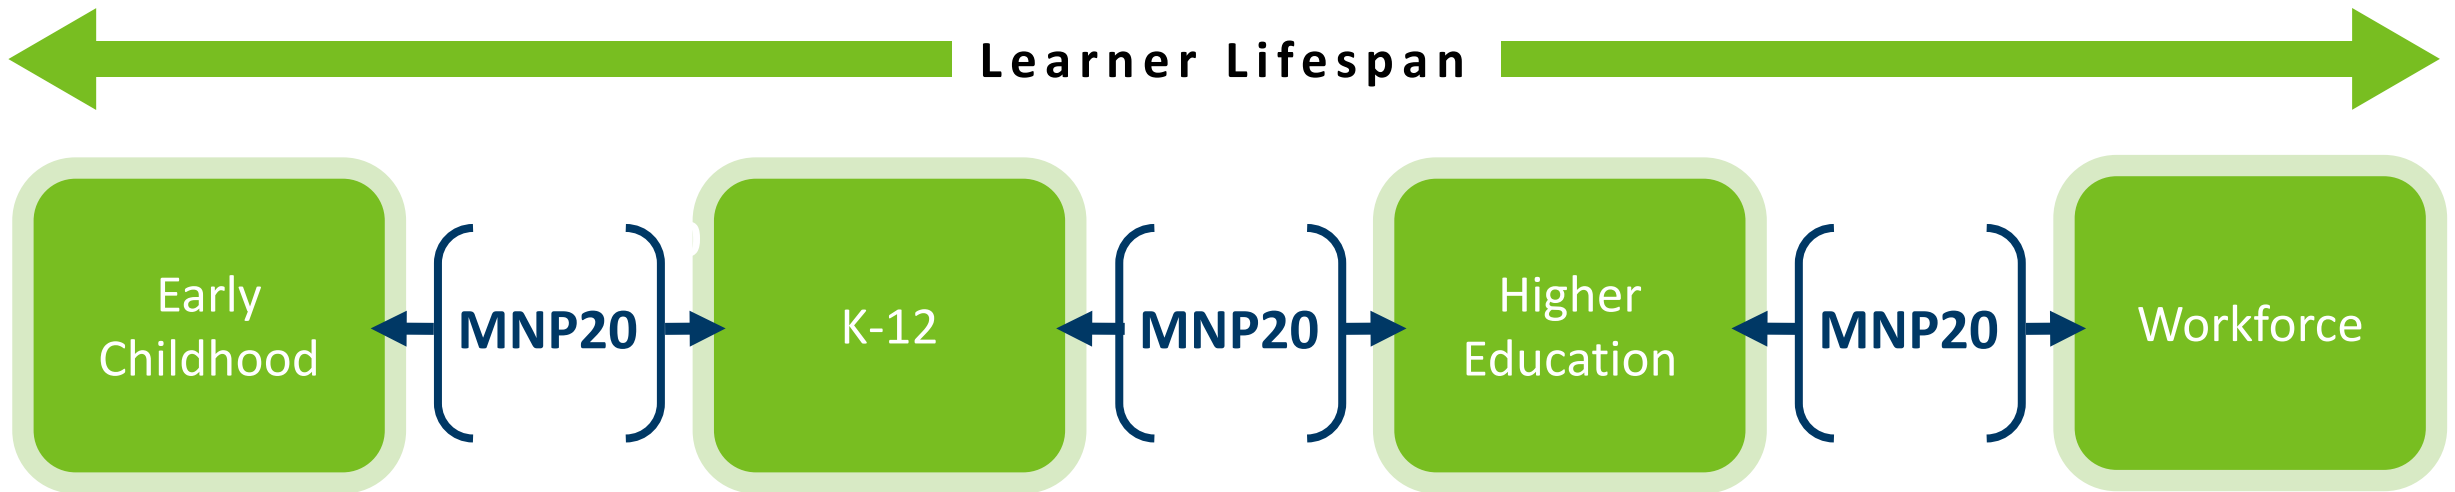

**Framework
for
Action**

**Responsive
Activity
Development**

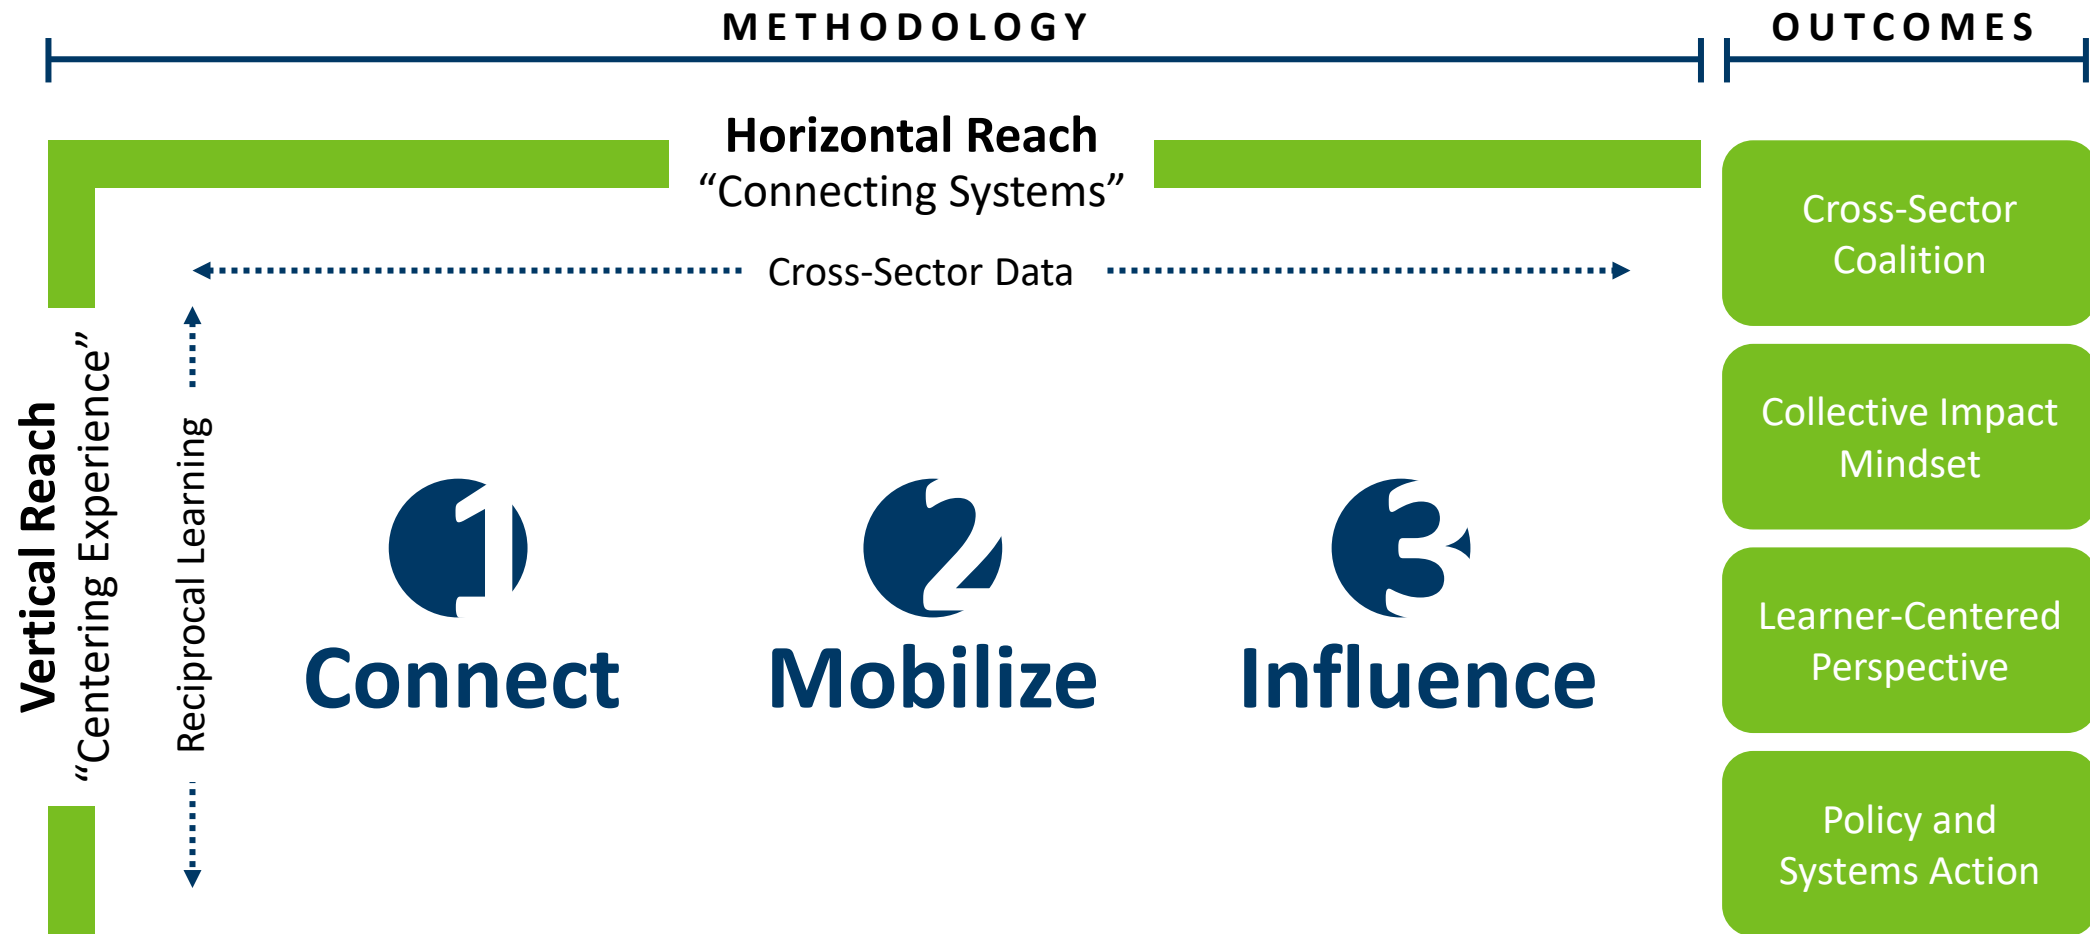

1. Working at the Seams

We work at the key transition points of the education ecosystem to strengthen outcomes for Minnesotans.

2. Framework for Action

A simple, aligned approach that brings people, data, and solutions together to strengthen the learner journey and drive equitable impact.

3. Responsive Activity Development

Supports inclusive and transparent identification and execution of collaborative work.

- 1» Identify potential work priorities at the seams of the EDU ecosystem
- 2» Leverage the strategy screen to prioritize & define the scope of work
- 3» Socialize workgroup opportunities
- 4» Execute cross-sector work
- 5» Share minutes & deliverables
- 6» Review recommendations & vote on next steps

Executive Committee	MNP20 Staff	Workgroups & Committees	MNP20 Council
			
			
			
			
			
			

Activities: Year One

- **Specific activities have been identified for the first year only**
 - Organized under *connect, mobilize, influence*
 - *Operations* category is also included
 - Each activity shows which seam(s) it touches
- **New activities will be developed annually**
 - Each year's progress informs the next year's activities
 - Additional activities added as new opportunities appear
 - Strategy screen supports the determination of new priorities

Member Roundtable Discussions

Choose which conversation you would like to participate in. You are welcome to move between the two conversations as well.

1. 2027 Legislative Priorities

What is your organization/agency prioritizing for legislative session next year?

2. Pain Points at the Seams

Within your area of focus, what pain points do students face at the seams that MNP20 might be specifically well-poised to address?

MINNESOTA P-20 EDUCATION PARTNERSHIP

Strengthening outcomes for all of Minnesota's learners.

2027 Legislative Session: MNP20 Priorities

2027 Legislative Priorities

- **Dual Enrollment**

- Formal recommendations to be voted on this fall

- **Educator Workforce**

- Formal recommendations to be voted on this fall

- **Statewide Educational Attainment Goal**

- Shaped by our work together these past two years—same language as last session

- **MNP20 Statute and Appropriation**

- Being guided by the Executive Committee

As we meet with members this fall, we want to learn where your 2027 agenda may **overlap**, and to identify how we can **move this work forward together.**
