**Minnesota Office of Higher Education - Financial Information**  
**Fiscal Year Ending June 30, 2020**

*Prior Financing Activities.* MHECB, MHESO and the Issuer have issued \$2.51 billion in aggregate principal amount of revenue bonds under its various loan programs since 1973, over one third relating to the previous lending activities under the federal guaranteed student loan program (the "GSL Program"). MHECB discontinued originating loans under the GSL Program in 1988, and as of June 30, 2016, there were no outstanding GSL Program loans in its Loan Capital Fund.

Approximately \$1.91 billion of the revenue bonds previously issued by MHECB, MHESO, and the Issuer are related to the supplemental student loan programs. Of this amount, four series of bonds aggregating \$498.63 million in principal amount remained outstanding as of June 30, 2020.

The Issuer is authorized to have outstanding an aggregate \$850 million of revenue bonds, exclusive of refunded and defeased bonds, under current State law. Neither bonds issued by the Issuer, nor bonds previously issued by MHECB or MHESO, constitute debt of the State.

*Operating Budget.* As of September 30, 2020, the Agency's 2020-2021 operating budget, exclusive of its supplemental student loan programs, is \$264,342,959, of which it is anticipated \$3,994,554 will come from federal appropriations, \$253,842,511 from State appropriations, and \$6,505,894 from miscellaneous special appropriations. None of these funds are available for use in the Supplemental Student Loan Program or any other student loan programs. None of these funds are available for the payment of the outstanding bonds referenced above.

*General Financial Information.* The Loan Capital Fund ("LCF"), which is maintained as an Enterprise Fund of the Agency, is the funding source for the Agency's student loan activities, both present and future. Certain summary financial information for the LCF for the past three years is presented in the table below. The Agency anticipates using money in the LCF to pay certain Program Expenses and costs of issuance, and, under certain circumstances, money and loans in the Loan Capital Fund that qualify as Student Loans pursuant to the terms in the Indenture to replace or repurchase Defaulted Student Loans. The LCF is not pledged to pay bonds in any indenture.

## THE SUPPLEMENTAL STUDENT LOAN PROGRAM

### SELF Program Overview

Background. MHECB, MHESO, and subsequently the Issuer were authorized by the State Legislature in 1983 to establish and supervise loan programs other than the GSL Program. MHECB began originating supplemental loans in June of 1985 under the first phase of its Student Educational Loan Fund Program ("SELF I") and completed originations under SELF I in September of 1988. At that time MHECB began originating loans under the second phase of its Student Educational Loan Fund Program ("SELF II"). In May 2002, MHESO established the third phase of its SELF Program ("SELF III") and in July 2006 the Issuer established its fourth phase of the SELF Program ("SELF IV"). SELF I through SELF IV Loans are all variable rate loans. The Issuer began offering fixed rate and variable rate loans under the fifth phase of its SELF Program ("SELF V") in October 2010. Currently, all Student Loans originated by the Issuer are made pursuant to the SELF V. In January 2016 the Issuer also began offering refinancing of student loans under the SELF Refi program.

Together, MHECB, MHESO, and the Agency have originated approximately \$2.38 billion of loans under the SELF I, SELF II, SELF III, SELF IV, SELF V, and SELF Refi Programs through June 30, 2020. The following table shows the outstanding principal balance of SELF I, SELF II, SELF III, SELF IV, SELF V, and SELF Refi loans at the dates indicated:

The Agency (and previously MHECB and MHESO), finances the origination of SELF loans with the proceeds of revenue bond issues and amounts available in the Loan Capital Fund. Although the Agency receives State and Federal appropriations, the SELF program is designed to be self-sustaining, and such appropriations are neither available for use in the SELF Program nor available for the payment of principal and interest on any of the associated revenue bonds.

#### **Loss and Delinquency Experience for the Student Loan Portfolio**

The tables that follow set forth, with regard to SELF II, SELF III, SELF IV and SELF V loans, loan loss and recovery experience, shown on an annual basis for the fiscal years ended June 30, 2013 through 2020, and borrower delinquencies, shown on a quarterly basis for quarters ending June 2019 through June 2020. There can be no assurance, however, that the loss or delinquency experience for the Program in the future will be similar to the historical experience set forth below.
